

Here comes Jeffrey Cutler, acting pro se, respectfully motions to join this case against ALL defendants to enforce violations of the law and violations of the United States Constitution Ammend 1. Mr. Cutler was elected to public office of Tax Collector for East Lampeter Township, Lancaster County Pennsylvania in November 2013, by his own 1 write in vote and by getting marble #2 in a tie-breaking drawing. After taking the Oath Of Office, and on December 31, 2013 he filed a Pro se lawsuit (1:13-cv-2066) in this court challenging Obamacare, to preserve the constitution and the first ammendment, because he felt the law violates the establishment clause because he is Jewish. Mr. Culer made what he considered a large contribution to the American Freedom Law Center to assist him with the appeal (14-5183), and they took the case all the way to the Supreme Court as case 15-632, after the appeals court declared his appeal valid on Aug 14, 2015. <https://www.americanfreedomlawcenter.org/case/jeffrey-cutler-v-u-s-dept-of-health-human-services/>

Mr. Cutler has tried to get the merits of the WRIT of of Certiorari composed for case 15-632 to case 19-10011 (Fifth Circuit Court of Appeals) via case 5:19-cv-00834 via express mail (Tracking #EE453480741US) and it was destroyed by the clerk's office (OBSTRUCTION OF JUSTICE). The following week Mr. Cutler arranged to have the document presented in person in New Orlens, LA (on March 7, 2019.) . On May 20, 2019 Mr. Cutler gave 2 documents to the clerk at the district court in Philadelphia. One document was from Ken Krieger case 2:18-cv-05929 and the other was from Jeffrey Cutler's case number 5:19-cv-00834 (Cutler v.

Pelosi, et al.). The document for case 5:19-cv-00834 was an affidavit of service for Brian Sims (a Pennsylvania State Representative that in his Official capacity had posted an eight minute video of himself trying to prevent a woman from praying outside the planned parenthood office on Spruce street as well as the daughters of Ashley P. Garecht, **and he was proud of actually violating the United States Constitution, Amendment 1**). The actual document for the case of Cutler v. Pelosi 5:19-cv-00834 was destroyed (**Obstruction of Justice**). Mr. Krieger had done the actual service to Mr. Sims office in Philadelphia on May 15, 2019. As retaliation against Mr. Krieger, his Social Security Disability payments were **terminated** as of **June 1, 2019** based on a letter mailed **May 31, 2019**. Persons have willfully and deliberately conspired to retaliate against Mr. Krieger to continually harass him for being Jewish. Mr. Krieger a former Philadelphia Police Officer wounded 3 times by gun fire while an officer, resigned because of PTSD this caused. He gets no pension from Philadelphia, and no other compensation other than the minor award he was awarded as the subject of civil federal lawsuit called KRIEGER v. PHILADELPHIA, et al. identified as case number 2:01-cv-02373, and was settled on the day the trial was to start. As the victorious party in this lawsuit he has experienced significant unexplained monitoring and intrusion including theft of his wallet, cell phone problems due to properties enabled by Google LLC in conjunction with members of the DEEP STATE and the FBI, his vehicle towed twice and previously held for ransom by the

Philadelphia Parking authority, based on unverified parking tickets. It has been published that the new payroll system in Philadelphia is defective <ref><https://www.philly.com/news/one-philly-lawsuit-labor-unions-philadelphia-city-hall-payroll-paycheck-20190502.html></ref>. Based on

meeting Mr. Jeffrey Cutler, Mr. Krieger has realized he may be a target of the Klu Klux Klan, as well as other elected officials who may be working with the KLAN or related organization. Mr. Cutler was removed from an elected office based on perjured testimony, had a bank account robbed (18 USC § 2113) of about one million dollars, his mail stolen, 100% of his life long possessions stolen by Police of East Lampeter Township he believed to be members of the Klu Klux Klan. East Lampeter Township had previously been accused of fabricating evidence in the trial of Lisa Michelle Lambert when federal Judge Stewart Dalzell released her from prison. Mr. Cutler identified willful faults in the new real estate tax system used by Lancaster County and persons that may be responsible for being secretly members of the Klu Klux Klan. The system used to peddle Obamacare by the federal government had significant flaws. Based on Mr. Krieger being asked to serve papers (the federal Summons) to Representative Brian Sims (in his Philadelphia office at 1015 Chestnut Street) for case 5:19-cv-00834 on 15MAY2019 in his official capacity as an elected representative of the Commonwealth of Pennsylvania, he has also realized that persons in the Commonwealth of Pennsylvania have violated Amendment 1 of the United States Constitution, and are **PROUD** of it by posting an **8 minute video** documenting the

event. Mr. Cutler stated these activities were in furtherance of a federal crimes of bank robbery (18 USC § 2113) and perjury (18 USC § 1001). On March 1, 2019 it was also discovered, by Mr. Cutler while helping Mr. Krieger get his car the first time that East Lampeter Township, in Conjunction with High Inc. conspired together to destroy additional evidence of a Hate Crime that was identified to the FBI as possibly being related to crimes committed by Mr. Robert Bowers for the murder of 11 Jewish individuals in case 2:18-cr-00292 (Western District of Pennsylvania). On 01MAR2019 the documents filed in USCA case #19-10011 Fifth Circuit (Obamacare Constitutional Case) were delivered by Express Mail (Tracking #EE453480741US). The clerk's office in New Orleans told Jeffrey Cutler they **DESTROYED THE DOCUMENTS**. This is an example of **REAL OBSTRUCTION OF JUSTICE**, unlike the alleged kind expressed by news outlets throughout the United States against the president of the United States. On 07MAR2019 Jeffrey Cutler had it filed in PERSON in New Orleans fifth Circuit. It stated that in the document that "The petitioner, Jeffrey Cutler, acting pro se, respectfully identifies that Nancy Pelosi made a false statement in court via her lawyer (Mr Donald B. Verilli Jr.) stated "[N]o one would be hurt and the greater justice would be attained" and violated (18 USC § 1001) on 03JAN2019 on page 24 of the filing that was made in case 4:18-cv-00167-0, a significant federal crime. During a speech at the National Association of Counties' annual Legislative Conference on 9 March 2010, in Washington D.C.

<ref><https://www.youtube.com/watch?v=QV7dDSgbaQ0> </ref> she stated “We have to pass the bill to find out what is in it”. The petitioner “found out what was in it” and filed a Pro se lawsuit 31DEC2013 in Wasington, DC case 1:13-cv-2066. He also via lawyers hired had previously filed a Writ of Certiorari for the Supreme Court of the United States (15-632) and inserted that same writ of of Certiorari in United States Court of Appeals case 17-2709, page 314A. The individual mandate of Obamacare violates the United States Constitution Ammend 1.

WHEREFORE, for all the foregoing reasons, petitioner respectfully requests that this Court Declare Obamacare UNCONSTITUTIONAL, during an immediate ENBANC review of this case.

Respectfully submitted,

Jeffrey Cutler, pro se

REPLY BRIEF FOR MOTION IN OPPOSITION
And
HEARING ENBANC

ORAL ARGUMENTS REQUESTED

The petitioner, Jeffrey Cutler, acting pro se, respectfully requests this appeal be consolidated with the appeal for case 4:18-cv-00167-0 (UNITED STATES OF AMERICA, et al., v. CALIFORNIA, et al. from the NORTHERN DISTRICT OF TEXAS). This case is exposes on ongoing criminal eneterprise that has minimally existed in Lancaster Pennsylvania since December 20, 1991, when Lisa Michelle Lambert was framed for a crime she knew nothing about and subsequently cleared of the crime based on false testimony and bribes during a federal habeas corpus hearing by District Judge Stewart Dalzell .It has also minimally existed in Pennsylvania since May 13, 1985 when the FBI furnished 2 bombs to murder 5 children (ages 7-13) in Philadelphia, as a form of eviction for which not a single charge was filed or civil or criminal penalty paid by those that perpatrated the crime. As an engineer, sometimes a probem is examined starting from the conclusion and work towards the crime conception. In Philadelphia, a third party killed a child 84 months old, almost all people would call that **MURDER**. If the child had been only 83 months old, almost all people would still call that **MURDER**. If the child had been only 82 months old, almost all people would still call that **MURDER**. If the child had been only 81 months old, almost all people would still call that **MURDER**. If the child had been only 80 months old, almost all people would still call that **MURDER**. If the child had been only 79 months old, almost all people would still call that **MURDER**. At some point going towards conception, **MURDER** is called **ABORTION**.

In boolean mathamatics there are really 3 answers, TRUE, FALSE, and DON'T CARE that should be applied when considered against the question of killing a child if it is MURDER. Not only has perjured testimony been used against Mr. Cutler, he has been targeted for false and maliious prosecution since he filed case 1:13-cv-2066 December 31, 2013 (which was about the individual Mandate). The case of perjury as either 18 U.S. Code § 1001, or 18 U.S. Code § 1623 are federal laws. GOD'S LAW for he who bears false witness against his neighbor commits as grave a sin as if he had borne false witness against God. Getting someone by blackmail, bribe, or threat of death to make claims as a false Witness is a DEMONCRAT LAW, they were called Sonderkommandos during WWII. Presently in the United States the DEMONCRAT and DEMOCRAT have "N" difference between them.

This case has been about religious freedom and insurance companies and the democratic party trying preserve OBAMACARE regardles of the harm it has inflicted and censor all dissent to maximize profits of insurance companies. As of this date 2 states have re-enacted mandates for health insurance (Vermont and New Jersey) with little or no large debate, even though federal law removed that requirement. It is now reported that billionaires (Reid Hoffman) have used campaigns via the news media to target individuals (Judge Roy Moore for example <ref> https://www.washingtonpost.com/business/technology/secret-campaign-to-use-russian-inspired-tactics-in-2017-alabama-election-stirs-anxiety-for-democrats/2019/01/06/58803f26-0400-11e9-8186-4ec26a485713_story.html?utm_term=.d9c380b8d5a6 </ref>) to falsley accuse people of crimes they were did not commit. People have been sent to jail and co-

erced to make false statements made based on illegal searches or surveillance to conceal crimes of police, FBI and elected and non-elected individuals. James Comey (former director of the FBI) is on public record as authorizing surveillance of individuals based on a document he knew to be false and un-verified to secure the appointment of a special prosecutor (Robert Mueller), to help conceal other crimes. Based on the long established doctrine in law, the Fruit of the poisonous tree based on *Silverthorne Lumber Co. v. United States*, 251 U.S. 385 (1920), and *Nardone v. United States* (1939). This case is actually about preserving the United States Constitution and the laws that congress have legally passed. Per Fed. R. App. P. 35(b) and 40(a). In support of this petition, petitioner represents the following: *United States v. Foster*, 1988; *United States v. LaPage*, 2000 violations of due process, 18 U.S. Code § 1623 - False declarations before grand jury or court and *Giglio v. United States*. It also preserves 18 U.S. Code § 1001, is a crime as well as 18 USC § 2113. This case examines that

In an expressed belief, based on a reasoned and professional judgment, that the opinion of case case 4:18-cv-00167-0 (attached as Addendum in the previous filing) should be supported by the 89 page writ (15-632) as part of case 17-2709 page 314A support the ruling and opinion. and supported by Supreme Court's decision in *United States v. Rita*, ___ U.S. ___, 127 S. Ct. 2456 (2007), as well as the Sixth Amendment principles set out in *Cunningham v. California*, ___

U.S. ___, 127 S. Ct. 856 (2007), *United States v. Booker*, 543 U.S. 220 (2005), *Blakely v. Washington*, 542 U.S. 296 (2004), and *Apprendi v. New Jersey*, 530 U.S. 466 (2000), and consideration by the full Court is therefore necessary. In addition, I express a belief, based on a reasoned and professional judgment, that a full panel opinion involves a question of exceptional importance:

Based on Rule 201. Judicial Notice of Adjudicative Facts Per public notice <ref>

<ref> <http://www.philly.com/business/tax-collector-jeffrey-cutler-east-lampeter-pa-lancaster-county-20181211.html> </ref> The story as printed on December 12, 2018 has ERRORS that should be corrected. The word "CISTRICK" should be "DISTRICT", the word "evicted" should be "ILLEGALLY EVICTED". The accounting errors were FULTON BANK RELATED, and FULTON BANK is NOW BEING USED 100% by Amber Green Martin and Amber Green Martin was never legally allowed to collect taxes until July 18, 2018 when she got a SURETY BOND.

at no time until July 18, 2018 Amber Green never was legally allowed to be assigned the collection of taxes because she failed to have a surety bond that allowed her to collect taxes. In the printed copy of the story in the Philadelphia Inquirer December 12, 2018 page 1 Amber Green Martin is quoted that Mr. Cutler never misappropriated any money and that she was involved in election fraud just like the case against Kenneth Smukler (2:17-cr-00563). These fact were known by all parties except Mr. Cutler and the entire case is based on 100% perjury from it's conception and was intended to punish Mr. Cutler for daring to challenge the Affordable Care Act and destroy his life and reputation by the Democratic party (which Mr. Mills specified in a conversation to Mr. Cutler that Mr. Mills was paid over \$ 200,000.00 by the democratic party and assumed recorded) and insurance

companies that significantly benefit from the ACA. Based on a demonstrated example of perjury in these lawsuits to also alter the voting map of Pennsylvania. Based on *Napue v. Illinois* this should demand a full en banc review. As the courts recently affirmed, it must “afford a liberal reading to a complaint filed by a pro se plaintiff,” particularly when the plaintiff has no formal legal training or education. *Klayman v. Zuckerberg*, 753 F.3d 1354, 1357 (D.C. Cir. 2014); see also *Erickson v. Pardus*, 551 U.S. 89, 94 (2007) (“A document filed pro se is to be liberally construed, and a pro se complaint, however inartfully pleaded, must be held to less stringent standards than formal pleadings drafted by lawyers.”)

WHEREFORE, for all the foregoing reasons, petitioner respectfully requests that this Court grant the instant Petition for hearing En Banc and it should be considered with USCA case 17-2709 USCA case 18-1816 and the conclusions requested in those cases be enacted. Judge Maryanne Trump Barry and Judge Midge Rendell should recuse themselves from this case because of conflict of interests and relationships to persons possibly involved.

- a. The court failed to disqualify the documents from the opposing parties for non-compliance in case 18-1816 and the entire case is based on perjured testimony based on the press release of October 5, 2018 by the League of Women Voters. <ref> <https://www.lwv.org/newsroom/press-releases/league-ceo-arrested-kavanaugh-protest> </ref>
- b. East Lampeter Township assigned Tax Collection to the Lancaster County Treasurer on Feb 23, 2017, even though they knew she never had a surety bond and was collecting taxes illegally.

- c. They robbed 2 Fulton Bank (18 USC § 2113) accounts of Jeffrey Cutler on April 3, 2017 based on a note written by Judge Margaret Miller on March 17, 2017.
- d. A vice president of Marketing at Fulton Bank (Mark Katkovcin) executed the bank robbery, and committed an act of Mail Fraud on Sep 20, 2018 # C1884921.
- e. Persons within the courts assisted with these criminal acts.
- f. The civil rights of Brett Kavanaugh, William Henry Cosby and the president of the United States have been equally violated by paid protesters.
- g. The professional opinion of Jeffrey Cutler is based on being a sequestered juror on the first trial of UNITED STATES of America v. John H. NACRELLI. Crim. No. 78-65-.1 and an engineer with a degree from Drexel University. At no time do I recall seeing Judge Steven O'Neill at Drexel or handing out fliers about Klu Klux Klan meetings.
- h. It is clear that equal protection has been violated in state and federal level (United Staes Constitution, Amend 14 and United Staes Constitutiona, Amend 5) in order to coneal crimes perpetrated by other public officials and destroyed the reputation of not only myself but General Michael Flynn based on perjury. Lisa Michelle Lambert has been incarcerated for over 25 years to conceal crimes committed by others and even the existence the office of special prosecuter was based on known perjured and unverified information. Based on case 1:18-cv-02885 (Jerome Corsi v. Mueller et al.) They have also suborned perjury to try and target individuals. Recently Elmer Daniels was released after being incarcerated for 39 years based on faulty science of the FBI.
- i. The Defendant-Appellees through their K3 lawyer (Kane, Pugh, Knoell, Troy, & Kramer) have provided no nexus that the proposed solution is not legal and in the name of Judicial Efficiency cited in case 17-2709 the current government partial shutdown an immediate Enbanc review is warranted. They also appear to have failed to notify all parties in the case, and should show evidence they sent copies of

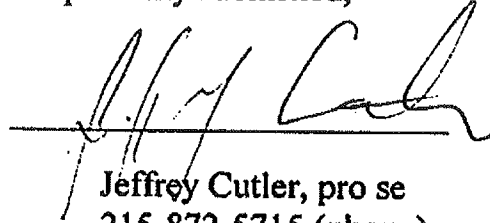

their motions to Sam Janesh, JUDGE DENISE CUMMINS before their briefs should be considered.

j. It is possible to destroy evidence, but the truth cannot be destroyed.

WHEREFORE, for all the foregoing reasons, petitioner respectfully requests that this Court grant the instant Petition for Panel hearing En Banc and support the conclusions as specified in case USCA CASE 17-2709, USCA CASE 18-1816 and also reverse the illegal actions based of Robert Mueller appointment as special prosecuter and all subsequent actions that appointment have since followed. Judge Maryanne Trump Barry and Judge Midge Rendell should recuse themselves from this case because of conflict of interests and relationships to persons possibly involved.

League CEO Arrested at Kavanaugh Protest

10/5/2018

Washington DC – Thursday, the League of Women Voters' CEO Virginia Kase participated in the civil disobedience to protest Judge Kavanaugh and was among the activists arrested at the Capitol.

"Opposing a Supreme Court nominee was an extraordinary step for the League, and our leadership believed that we needed to back those words with action. This situation is too important to sit silently while the independence of our judiciary is threatened," said Kase, who was hired as CEO in July. "I may be new to the League, but this organization was founded by the women who fought for women's suffrage. They marched in the streets, disrupted the *status quo*, and, yes, faced arrest and punishment to advance their cause. We honor their legacy by participating in our democracy through this civil disobedience."

Last week the board of directors took bold steps for the organization in calling for a complete FBI investigation into all allegations of sexual misconduct and Thursday they went a step farther in officially urging the Senate to reject Judge Kavanaugh's nomination.

"The process of the Kavanaugh hearings is unlike anything we have seen in the League's 98 years," said Chris Carson, president of the League. "This nominee has demonstrated that he does not possess fair and unbiased judicial temperament. I am proud of Virginia and our members across the country who are standing with her."

On Thursday the League went a step farther by participating in the protests.

"I want to take the fear out of activism," said Kase. "This is our Capitol. These are our Senators. This is our government. It is an honor to participate in our democracy and to live our mission: Empowering Voters. Defending democracy."

"This is a critical moment for American women," said Carson. "This year we have seen more women running for office than ever before. With midterms a few weeks away, this is the right time and the right moment to take a stand."

Appeal from the Order/Judgment entered Dec 14, 2018 in the United States District
Court for the Northern District of Texas at No. 4:18-cv-00167-0

RESPONSE TO NANCY PELOSI'S PETITION OF 03 JAN 2019

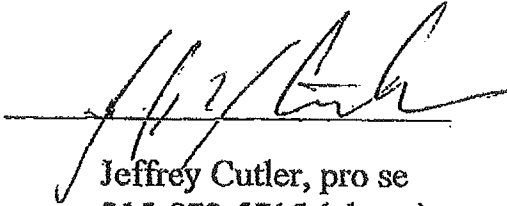

ORAL ARGUMENTS REQUESTED

The petitioner, Jeffrey Cutler, acting pro se, respectfully identifies that Nancy Pelosi made a false statement in court via her lawyer (Mr Donald B. Verilli Jr.) stated "[N]o one would be hurt and the greater justice would be attained" and violated (18 USC § 1001) on 03JAN2019 on page 24 of the filing that was made in case 4:18-cv-00167-0, a significant federal crime. During a speech at the National Association of Counties' annual Legislative Conference on 9 March 2010, in Washington D.C. <ref><https://www.youtube.com/watch?v=QV7dDSgbaQ0> </ref> she stated "We have to pass the bill to find out what is in it". The petitioner "found out what was in it" and filed a Pro se lawsuit 31DEC2013 in Wasington, DC case 1:13-cv-2066. He also via lawyers hired had previously filed a Writ of Certiorari for the Supreme Court of the United States (15-632) and inserted that same writ in United States Court of Appeals case 17-2709, page 314A. The individual mandate of Obamacare violates the United States Constitution Ammend 1.

WHEREFORE, for all the foregoing reasons, petitioner respectfully requests that this Court Declare Obamacare **UNCONSTITUTIONAL**, during an immediate **ENBANC** review of this case.

Court for the Northern District of Texas at No. 4:18--cv-00167-0*

RESPONSE TO NANCY PELOSI'S PETITION OF 03JAN2019

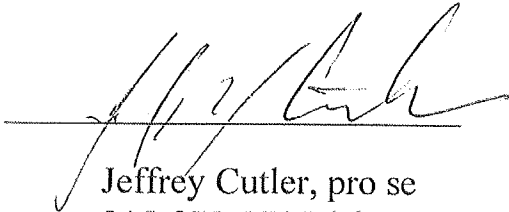

ORAL ARGUMENTS REQUESTED

The petitioner, Jeffrey Cutler, acting pro se, respectfully identifies that Nancy Pelosi made a false statement in court via her lawyer (Mr Donald B. Verilli Jr.) stated “[N]o one would be hurt and the greater justice would be attained” and violated (18 USC § 1001) on 03JAN2019 on page 24 of the filing that was made in case 4:18-cv-00167-0, a significant federal crime. During a speech at the National Association of Counties’ annual Legislative Conference on 9 March 2010, in Washington D.C. <ref><https://www.youtube.com/watch?v=QV7dDSgbaQ0> </ref> she stated “We have to pass the bill to find out what is in it”. The petitioner “found out what was in it” and filed a Pro se lawsuit 31DEC2013 in Wasington, DC case 1:13-cv-2066. He also via lawyers hired had previously filed a Writ of Certiorari for the Supreme Court of the United States (15-632) and inserted that same writ in United States Court of Appeals case 17-2709, page 314A. The individual mandate of Obamacare violates the United States Constitution Ammend 1.

WHEREFORE, for all the foregoing reasons, petitioner respectfully requests that this Court Declare Obamacare **UNCONSTITUTIONAL**, during an immediate **ENBANC** review of this case.

unreasonable seizures of their person. The Fourteenth Amendment, also protects persons from unequal treatment under the law, as well as the Fifth Amendment. The Plaintiff in this matter was surrounded by police and detained based on an individual at Citizen's bank trying to conceal and hide a reasonable suspicion, of an illegal act (furtherence of a crime), namely bank robbery (18 USC § 2113) via the internet. The crime was triggered via story by Andrew Maykuth for the Philadelphia Inquirer, philly news targeting Cutler and that it was "using its vast financial resources to enter the bully pulpit by publishing a series of false and defamatory statements an online article ... to smear an individual who was in its view an enemy of the deep state, released to the internet on 11DEC2019 and printed 12DEC2019 which was a link to individuals that carried out the crime, never even mentioning Lisa Michelle Lambert. The story also made light that ordinary individuals should not be elected, and slandered every Jeffrey Cutler and Tax Collector in the United States. Plaintiff's emotional distress, terror, apprehension, anxiety, and humiliation, damage to his reputation and potential long term carreer as an elected official. It also failed to get a release form for the shirt which a copyright was previously applied and the story tried to act as a barometer of when someone is religious and hide all types of political misconduct including mail fraud.

- 1) On the evening of 11/15/18, Defendant Cutler was arrested by the police at the Giant Supermarket (20190212M241O) at the Citizen's Bank in the Giant Supermarket (116 W Township Line Road).
 - 2) The defendant called the police when Mr. Cutler showed the bank manager he had placed a redacted copy of a statement in a document in the United States Court of Appeals case #18-3693 (document # 003113157254 page 10). This is related to CFPB complaint #190213-3828773.
 - 3) At minimum 3 police cruisers were positioned outside the Giant supermarket.
 - 4) Mr. Cutler was surrounded by police officers from the Haverford police department subject to view and suspicion of everyone in the Giant supermarket at the time. Only 2 officers were listed on the report #20190212M2410.
 - 5) Mr. Cutler was prevented from assisting his mother (who has difficulty hearing) or helping review documents being signed. This has been an ongoing effort by members of the Klu Klux Klan or other secret society to target Mr. Cutler for being Jewish and people around him because he challenged Obamacare starting Dec 31, 2013.
 - 6) Mr. Cutler talked to the police officer (Thomas McDermott) and showed him documentation he had with him that demonstrated that he previously run as a write-in candidate for Governor of Pennsylvania (Page 15 – Philadelphia Metro Newspaper, October 24, 2018).

- 8) At no time did the police question Mr. Cutler's mother about what was going on during the confrontation, while in view of Mr. Cutler. The office of the branch manager is approximately a 10' x 10' enclosure.
- 9) Mr. Cutler was handed a no trespass letter signed by the branch manager (Ralph Rinn) by the haverford police. This letter was similar to the letter he was handed by the East Lampeter Police officers on October 2, 2017 when he was removed illegally from his apartment at 67 Cambridge Village, Lancaster Pa. 17602, in lieu of a legal eviction (which is the basis of case 18-3693). On May 13, 1985, 5 black children (ages 7-13) were murdered when the FBI furnished 2 bombs as a form of eviction.
- 10) The realization that the Individuals surrounding Mr. Cutler were carrying firearms, and tasers provoked feelings of terror, panic and anxiety in Mr. Cutler.
- 11) Mr. Cutler asked officer McDermott if he was related to ADA McDermott of the Philadelphia district attorney's office. Mr. Cutler had previously reported Bank and Insurance fraud to the office of the FBI, and got a CEASE & DESIST email from the FBI, mentioning not to report those crimes to the FBI and not report those crimes to the ADA either.

he tried to make a complaint about Citizen's bank, but was ignored in this effort.

- 13) On 14FEB2019 Mr. Cutler reported the false Police report by Citizen's bank, #20190214M2515, no investigation has been started to his knowledge. This demonstrates unequal protection under the law. A crime in Chicago is investigated (Jussie Smollet) while this crime is not investigated. A violation of the United States Constitution Ammend 5, equal protection.
- 14) The incident of February 12, 2019 between Individual Defendants and Mr. Cutler has caused mental and emotional suffering to Mr. Cutler, including panic attacks causing Mr. Cutler to physically shake, and nightmares.
- 15) Approximately three days following the incident of February 12, 2019, Mr. Cutler contacted the Police to inquire about information concerning the investigation of the incident and was informed that there were no records pertaining thereto.

vote in an election can make a great difference.

Carter was elected tax collector in 1912 in East Lampeter Township, Lampeter County, with one vote — his own. He was 19 years old. East Lampeter had not had a tax collector in decades — the county had the job — Carter insisted he was now an elected official under the law, and began to work as township tax collector.

Customs made a hash of the job, say local and country officials. Tax returns be collected and not passed along promptly to taxing authorities. Some taxpayers were taxed twice. Others in arrears were listed as fully paid. Millions of fully paid taxpayers were erroneously listed delinquent and referred for collection to punish their credit.

Taxpayers in East Hampton who went to the kitchen listed on tax bills to settle accounts found themselves before the puzzled manager of a self-storage facility, who said nowhere Carter had let slip they in a rental block last year.

- The Postal Service insures the contents of Priority Mail Express "merchandise" items (with "merchandise" defined by postal regulations) against loss, damage, or missing contents. The Postal Service includes coverage up to \$100 per mailpiece at no additional charge. Additional merchandise insurance up to \$5,000 per mailpiece may be available for purchase. Additional insurance for Priority Mail Express items is not available unless a signature is required.
- The Postal Service insures "nonnegotiable documents" (as defined by postal indemnity regulations) against loss, damage, or missing contents up to \$100 per mailpiece in a single catastrophic occurrence. Document reconstruction insurance provides reimbursement for the reasonable costs incurred in reconstructing duplicates of nonnegotiable documents mailed. Document reconstruction insurance coverage above \$100 per mailpiece is not available. The mailer should not attempt to purchase additional document insurance, because additional document insurance is void.
- The Postal Service insures "negotiable items" (defined by postal regulations as items that can be converted to cash without forgery), currency, or bullion up to a maximum of \$15 per mailpiece. The Postal Service does not provide coverage for consequential losses due to loss, damage, or delay of Priority Mail Express items or for concealed damage, spoilage of perishable items, and articles improperly packaged or too fragile to withstand normal handling in the mail. Coverage, terms, and limitations are subject to change. For additional limitations and terms of coverage, consult the DMM, which is available at pe.usps.com.

Indemnity Claims (Loss, Damage or Missing Contents): Either the mailer or the addressee may file an indemnity claim for loss, damaged or missing contents. The claimant may submit the claim online at usps.com, or by mail, for more information see Publication 122, *Domestic Claims, Customer Reference Guide*. The timelines for claims are as follows: claims for loss – no sooner than 7 days but no later than 60 days after the date of mailing; claims for damage or missing contents – immediately but no later than 60 days from the date of mailing. Retain the original USPS retail receipt or eReceipt/electronic receipt for claims purposes. For claims involving damage or missing contents, also retain the article, container, and packaging for Postal Service inspection when requested.

Refund of Postage and Fees (Service Performance): If delivery of a Priority Mail Express (PME) item does not meet the scheduled delivery commitment(s), online and commercial customers may submit a refund request by visiting USPS.com. Retail customers may submit a refund request either online at USPS.com or at retail locations. Refund requests for postage must be submitted no later than 30 days from the date of mailing. Extra Services fees refund requests must be submitted no later than 60 days from the date of mailing. Each tracking number can only be submitted once for all applicable refunds. Refund requests for PME or PME with Extra Services must be combined into a single submission.

Pro Se Appellant

The final result was an above- the-range sentence that cannot be justified by the record, and is unduly punitive based on the totality of circumstances. Because the final sentence does not represent the statutorily mandated minimally sufficient sentence, it is substantively unreasonable. Because of the number of documents that appear to be altered (AA339)(AA587) or late, even in federal court. In previous appeals (16-3164) parts of Rand Paul's book "Government Bullies" which was photocopied as part of the appeal it was obscured and made unreadable. Robert Mueller was the director of the FBI on ~~November~~ ^{DECEMBER} 4, 2003 when Jonathan Luna, (POSSIBLY BY MEMBERS OF THE KLU KLUX KLAN) was found MURDERED in Lancaster county, Pennsylvania. Five days after the death James Comey may have been given the number 2 position at the DOJ, to help cover-up the murder. At the time of the MURDER Andrew McCabe was in charge of the criminal division of the FBI. The FBI tried to get the coroner of Lancaster, county to call the MURDER a SUICIDE. Mr. McCabe was fired from the FBI for lies he made on March 16, 2018.

April Brooks made the FALSE statement "There's no evidence to show that he met his death at the hands of any other individual," Brooks said. "Or that he had seen or been with any other individual that night. You have naysayers and you have a divergence of (law enforcement) opinion," she said. "But again, we turned over every rock. We are confident that there is nothing hanging out there to find."

though this contradicts the report of the Lancaster county coroner. Flora Posteraro was fired <ref><https://www.ydr.com/story/news/2018/03/13/abc-27-anchor-leaves-station-says-not-my-choice/421175002/></ref> the same day Jeffrey Cutler emailed a reminder that on the 10 year anniversary of Luna's death WHTM had done a story that mentioned the FBI cover-up <ref><https://www.youtube.com/watch?v=LOXQSptqGKQ></ref>. The Baltimore Sun reported of the FBI cover-up on the 5 year anniversary of Luna's death <ref><http://www.baltimoresun.com/news/maryland/bal-md.luna30nov30-story.html></ref>

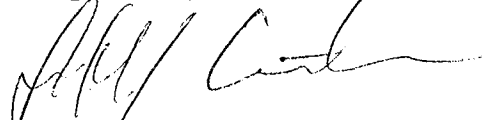

Based on United States v. Williams, 341 U.S. 58 (1951) and Gill v. Whitford, (Supreme Court 2018) and Masterpiece Cakeshop, Ltd. v. Colorado Civil Rights Commission, and that that Susan Peipher and Christina Hausner were involved in suborning perjury, destroying or concealing evidence, witness tampering, and concealing income or assets, Mr. Cutler requests the following conclusion.

CONCLUSION

For the foregoing reasons, Appellant Jeffrey Cutler respectfully submits that hereby requests that the court grant his Permanent Injunction and enjoin the enforcement of the revised voting map, a new election date set using the previously approved voting districts, bar all Pennsylvania judges from submitting remedies which knowingly violate the Pennsylvania constitution, bar any further enforcement of "Obamacare", remove all penalties from plaintiffs, declare executive ORDER 9066 UNCONSTITUTIONAL, and bar the

review, and distribution, of documents siezed of Mr. Cutler/Mr. Cohen and the suspension of further action in NY cases known as 1:18-cv-03501 and 1:18-mj-03161KMW., and other remedies that court deems appropriate, and vacate the sentence for Jeffrey Cutler, Lisa Michelle Lambert, and Jammal Harris and all persons similarly situated. Also stop retrial of case 1:16-cr-10233-RGS so these people are not treated differently than Senator Menendez, or John Corsine in the MF Global fraud case.

Respectfully submitted,

Jeffrey Cutler
